SUMMARY

B.Tech AI & Data Science student with knowledge of Python, SQL, Data Analytics, and Web Development, interested in building practical applications and learning new technologies.

EDUCATION

B.Tech — Artificial Intelligence & Data Science, **2023 – 2027**
N.B.K.R Institute of Science and Technology, Vidyanagar
CGPA: 8.16

Intermediate — MPC, Sri Vema Junior College **2021 – 2023**
Percentage: 95.4%

SKILLS

- **Languages:** Python, SQL, JavaScript
- **Web:** HTML5, CSS3
- **Databases:** MySQL
- **Core:** DSA, OOP, DBMS
- **Tools:** Git, GitHub, VS Code, Jupyter Notebook

WORK EXPERIENCE

DataValley, Data Science Intern **05/2026 – 07/2026**
Worked on data cleaning, analysis, visualization, and machine learning using Python.

GeeksforGeeks, Campus Mantri **2026 – Present**
Selected as official GeeksforGeeks Campus Ambassador for NBKRIST to drive tech community engagement and awareness on campus.

Infosys Springboard, Python Programming Intern **09/2026 – Present**
Selected for Infosys Springboard Internship 7.0 focused on Python programming.

PROJECTS

SmartQuiz

- Built a quiz web application using Python, Flask, and SQL.
- Includes user login, PDF-based quiz generation, and score tracking.

Subway Surfers Game

- Developed a browser-based Subway Surfers game using HTML, CSS, and JavaScript.
- Features obstacle avoidance, scoring, and increasing difficulty levels.

Personal Portfolio

- Built a personal portfolio website to showcase my skills, projects, experience, and education.
- Includes sections for skills, projects, experience, and contact, with responsive design

CERTIFICATES

- **Basics of Python** — Infosys Springboard
- **Object-Oriented Programming** — Infosys Springboard
- **Data Structures & Algorithms** — Infosys Springboard | 2026-06
- **Introduction to SQL** — Simplilearn | 2025-10
- **AI for ALL** — Intel & Skill India
